

Providing Quality and Design
to the Multi-Family Community

MOEN®

Genta™ One-Handle Lavatory Faucet 710870 | Page 4

Thoughtfully designed kitchen and bath faucets, showerheads, accessories and more for residential and commercial applications.

People

- Our experienced factory-direct sales team helps you identify solutions for meeting your portfolio requirements and goals.
- Our experts know how to navigate code and compliance challenges.
- We're always here for you with in-person and online Moen 101 training.

Performance

- Our product breadth and depth of style meet the needs of all properties in your portfolio.
- We thoughtfully design innovations like Power Clean™ and Immersion® to save water without sacrificing user experience.
- We create features for faster install, such as M•PACT®, Duralock® and QuickMount™, so Moen® products take 10 minutes less on average to install than competitors'.*
- You can depend on our durability and reliability since Moen faucets require 35 percent fewer cartridge replacements than other brands.*
- Our best-selling Posi-Temp® pressure-balancing shower helps maintain consistent water temperature.
- Technology like our innovative Reflex® pull-down system offers extra work space and self-retracting features.

Partnership

- We work with you to unlock the benefits of standardization.
- We provide competitive pricing and rebate opportunities.
- You can always count on our standard-setting warranties and customer service.

*Based on a third-party administered survey of property managers and maintenance personnel, commissioned by Moen.

CFG, a Moen® incorporated brand, delivers quality products with lower maintenance costs and faster installation.

Expert Help

- Our experienced factory-direct sales team helps ensure your project needs are always met.
- Our professionals provide valuable code and compliance guidance.
- You can always turn to us for in-person and online training with CFGonline.com.

High Standards

- CFG's range of transitional and modern collections suits a variety of property levels and styles.
- We offer a wide range of products with matching accessories.
- On average, our faucets take 10 minutes less to install than our competitors'.*
- Our durable ceramic cartridge design requires 35 percent fewer replacements than other brands,* and an independent third-party 50,000-cycle handle strength test validated that our products outperform many branded and private label competitors.
- Our products can help you meet LEED® and WaterSense® standards.
- Our products are easy to install with flexible supply lines, pre-installed shower valve connections and our Pro-Fit™ installation system.
- Our flow-optimized aerators and showerheads offer high quality and functionality.

Utmost Reliability

- We provide highly competitive pricing and rebate opportunities.
- You can count on our industry's most comprehensive 10-year multi-family warranty plus excellent customer service.

*Based on a third-party administered survey of property managers and maintenance personnel, commissioned by Moen.
