

Introducing Old World Bronze for the Capstone® line.

A Moen Incorporated Brand

Something old is something new.
Starting August 2009.

OTHER CAPSTONE HIGHLIGHTS:

Cleveland Faucet Group® (CFG®) is expanding our finish offering by adding a new Old World option to the entire line of Capstone kitchen, lavatory and showering products. Old World finishes are an emerging choice in the multifamily market for the uniquely elegant touch they can add to any unit.

The Old World Bronze finish is sealed with a protective coating to resist tarnishing and corrosion. CFG has subjected this coating to rigorous performance testing to ensure lasting beauty and durability.

Plus, Old World Bronze will be available on all Capstone water-saving bath and shower products, so you won't have to sacrifice style for sustainability.

- Classic, traditional styling
- Ceramic disc cartridges
- Four finish options to choose from – PVD Stainless, PVD Brushed Nickel, Chrome and Old World Bronze
- All lavatory faucets meet EPA WaterSense® labeling criteria (1.5 gpm)
- 10-year limited warranty
- ADA-compliant

Capstone® Old World Bronze Products

A Moen Incorporated Brand
