

Product Fact Sheet

A Moen Incorporated Brand

NEW WATER SAVING SHOWERHEAD FROM CFG REDUCES WATER CONSUMPTION, ENERGY USE AND EXPENSES

- Flows at a rate of 1.75 gallons per minute (gpm), offering a 30 percent water savings from the industry standard of 2.5 gpm
- Can contribute toward a building's eligibility for LEED® (Leadership in Energy and Environmental Design) certification
- Available as a stand-alone item, or as an option on the tub & shower products of CFG's Capstone® or Cornerstone® collections
- Available in popular Chrome, PVD Brushed Nickel and Old World Bronze finishes to coordinate with bathroom faucets and accessories
- Features an optimized spray pattern to help preserve the showering experience
- Rubber spray formers provide the ability to wipe away hard mineral deposits, preserving spray pattern
- Certified to the IAPMO (International Association of Plumbing and Mechanical Officials) Green standard
- 10-year limited warranty
- ADA-compliant
